

# Together

How do I help my group to come together and get started with the theme?

## Gathering prayer

### Jesus, our friend

(use alternate index fingers to point and tap the middle of opposite palms)

### Be with us today

(two hands, palms up in front of you, move up and down twice)

### As we share together,

(two hands, palms up in front of you, move one forward and one back and alternate twice)

### Pray together,

(hands together, palm against palm, as though praying)

### Play together,

(hands to each side, palms up, make two small circles outwards)

### And get to know you better,

(point up with one hand)

### As children together in your family

children of three different heights)

**AMEN**

Sometimes we get ourselves in a knot and forget that Jesus is still here, and nothing can separate us from his love, not even the tangles we get ourselves in.

## Express

Praying together: how can you involve the children actively in prayer?

### Woven cross prayers

You will need:

pinboard or cork mat

Push pins or drawing pins,

Wool (three colours)

A

Make a cross shape on the board with the pins and cut some lengths of wool in three different colours. Think about something that you would like to bring to God: a sorry, thank you, or please prayer. Using the different colours of wool to represent your prayers, tie the wool around a pin and weave your prayer into the cross shape. As you weave the wool, think about bringing your prayer to Jesus and putting it on the cross

### Spoken prayer

Say the words in bold together while doing the actions which are written in italics.

**Nothing, nothing, nothing**
